

Job location: **Krakow**

At Cognizant, we are dedicated to helping the world's leading companies build stronger businesses — helping them go from doing digital to being digital. You will be a part of a multilingual client facing team in Kraków, Poland. You can expect five-star training, a chance to realize your career goals, and a range of benefits. Be Cognizant!

**We offer:**

- Opportunity to be part of a global organization focused on development,
- Hybrid work model,
- Open-minded and multinational environment,
- Professional development and clear career path,
- Training & development opportunities,
- Full equipment and paid training provided from the first day of work,
- Extensive benefits package: Multisport Card, Lux Med medical healthcare including dental care, life insurance, cafeteria benefits.

**Responsibilities:**

- Communicate with advertisers and internal sales and services teams via phone, email, chat and video conferencing as needed,
- Perform and verify the implementation of web-based products with customers,
- Give guidance, support, and train customers on how to use the products - Employ strong, clear communication skills with your customers and colleagues, displaying your enthusiasm and a desire to succeed,
- Deliver high quality service to your customers, exceeding client expectations and quality scoring measures.

**Your profile:**

- **German language at least C1 level, very good English** (language of the communication in the company),
- Understanding CMS platforms at UI level (WordPress/Shopify/Wix/Joomla) or similar would-be a plus,
- Moderate experience in maintenance of websites with associated knowledge of HTML, JavaScript would be a plus,
- Technologically capable to quickly learn customer service software applications and process customer implementations that do not necessarily follow a standard template/process,
- Strong communication, customer service, relationship management and support skills,
- Online advertising or ad product experience.
