

**ANNOUNCEMENT – CONNECTION TO THE CONFERENCE VIA MICROSOFT
TEAMS**

20.09.2022

Dear Conference Participants,

On the 21st of September at 12.00 (Noon) Polish time, we will ask you to connect to the link for MICROSOFT TEAMS. The same process will take place on the 22nd at 12.00 (noon) for those of you who could not connect during the first meeting.

This link will be sent by The University of Economics and Humanities for the purpose of connecting participants with the conference site to your email addresses used by the conference organizers so far. You can connect from your own homes, there is no need to connect from any special place like a university site. A good internet connection, a small camera and a computer microphone is enough.

All the online participants will be visible on a big screen in the conference room. You will all hear participants in “The Real” delivering their papers in the conference room according to the conference schedule.

Please consult the panels link in the conference site to make sure your date and time of presentation.

If you have any technical questions, please ask myself and Lukasz Fibinger lfibinger@wseh.pl

Cheers, Janina Falkowska jfalkowska@wseh.pl
